Andrew Laughlin is a member in the life sciences practice group where he focuses his practice on the preparation and prosecution of patent applications related to chemical, biotechnology, pharmaceuticals, nanotechnology, materials science, diagnostics, pulp and paper, medical and mechanical devices, and related software inventions.

Andrew has expertise working with high throughput screening systems, microfluidic devices, diagnostic markers, implantable medical devices, conjugated polymers, and quantum dots. Representative client technologies include microfluidics, micro/nano technologies, MEMS, applied chemistry, flexible electronics, organic light-emitting diodes (OLEDs), photonics, ophthalmic devices, drug delivery devices, endoscope technologies, and food processing and manufacturing. Andrew also has experience in patent validity, enforcement, and licensing, as well as *ex parte* reexaminations and *inter partes* reviews.

Prior to joining COJK, Andrew was with the University of Washington's technology transfer office, where his most recent role was as a senior patent portfolio manager responsible for managing all aspects of the patent portfolio for chemistry and life sciences inventions across the university.

Andrew earned his J.D. from Seattle University School of Law and received his B.S. and his M.S. degrees in chemistry from the University of Washington. Andrew is named to Intellectual Asset Management's *IAM Patent 1000 – The World's Leading Patent Professionals* in 2023 - 2026 and is recognized in the 2024 - 2026 editions of *Managing IP's IP Stars*.

Education

- J.D., Seattle University School of Law, 2010
- M.S., Chemistry, University of Washington, 2006
- B.S., Chemistry, University of Washington, 2003

Professional Experience

- Christensen O'Connor Johnson Kindness^{PLLC}
Seattle, WA, 2017 - present
- University of Washington CoMotion
Seattle, WA, 2011 - 2016

Bar & Court Admissions

- Bar Admission: Washington
- United States Patent and Trademark Office

Professional Affiliations

- Washington State Patent Law Association
